

## Mizen Courses – Short Breaks a Little out of the Ordinary Escape into another world on one of our Courses.

**Mizen Head Signal Station, Goleen, West Cork.**

Ireland's most southwesterly point

Contact for bookings: Stephen O'Sullivan [info@mizenhead.ie](mailto:info@mizenhead.ie)

+353 28 35225

**GPS 51 27 05.50N 9 48 40.81W**

This is an opportunity to give your visitors a different and rewarding experience during their vacation. 10% Commission. Groups and individual travellers welcome. Fully Qualified Expert Tuition.

### One Day Environmental Courses 9.30am – 4.30pm.

Inaugural course: November 8<sup>th</sup> 2008

**Cetacean identification and Whale watching  
along the Irish Southwest coast  
by Padraig Whooley, IWDG**

#### **Cetacean identification and Whale watching along the Irish Southwest coast by Padraig Whooley, IWDG**

- 09:30- 10:00: Registration
- 10:00- 11:30: Introduction to Irish cetaceans (whales, dolphins & porpoises)
- 11:30- 11:45: Coffee Break
- 11:45- 13:00: Field-identification of cetaceans & whale watching techniques
- 13:00- 13:30 Lunch
- 13:30- 15:30 Land based Whale watch (weather permitting)
- 15:30- 15.45 Tea Break
- 15:30- 16:30 Recap with Questions & Answers

The course will involve both indoor illustrated presentations and a Whale Watch from the Mizen light (weather permitting). Participants should dress for field conditions, with waterproof and warm clothing, sturdy boots etc. At a minimum, you will need to bring a pair of binoculars with which you are familiar, but better again if you have a spotting scope. A cushion or soft mat will make your watch more comfortable! Places will be secured on receipt of the full course fee, on a first come first served basis

**Rate:** 65 euro to include instruction, coffee, lunch and tea. Min/Max: 15/50

**Rate in euro including 1 night's B&B (price per person sharing per night):**

Book your place on the course and book your choice of accommodation.

## Further Courses in the Spring

**Saturday March 7th 2009** Bird watching at Mizen Head with Michael Cobley, BirdWatch Ireland.

Saturday March 21<sup>st</sup> 2009 Geology Field Day at Mizen Head with Richard Unitt, Dept. of Geology, UCC

We present the inaugural Mizen Course – Seawatch on November 8<sup>th</sup> 2008. In the Spring we have another two pilot courses and by October 2009 we will have a full series of courses available. There is a 10% commission for you for each participating client. When you book your client in, we will send you a voucher for them. Mizen Courses will give your clients a little extra *learn to* activity for their vacation.
