Subject: Camera for Bridge

Stephen,

1 x External Day/Night Camera (27:1 lens) in heated housing (pdf spec attached)
1 x 22" Flat screen monitor
Electrical and data wiring for installation

Total installation cost € 2,150 + 13.5% Vat.

Option to install camera in external housing with wiper control...€ 975 + Vat extra.

Give me a call if you have any further questions or requests.

Kind regards,

Colm Murphy.
