

The Return of the Swansea-Cork Ferry - Help needed

Goleen & District Community Council are facilitating a local syndicate to purchase one 10,000 euro share in the new Swansea-Cork Ferry Co-operative for the community (in the name of Goleen & District Community Council). We are looking for contributions of 100 euro upwards.

West Cork Tourism is coordinating the registration of the Co-operative to purchase and operate the ferry. A ship has been found. The aim is to get the ferry started by April. See www.bringbacktheswaseacorkferry.com and www.westcork.ie for details. The fundraising effort is to collect 3 million euro (300 shares at 10,000 euro each) by next week. If you wish to purchase a full 10,000 euro share yourself, please write to Fintan Connell, Treasurer, West Cork Tourism, Skibbereen fintan@southernstar.ie

We would appreciate your help in raising enough money for our community to participate in the Co-operative. Our fundraising drive was launched this evening and several Community Councillors have already donated in excess of 2000 euro. The campaign has begun.

The closing date for receiving contributions is Tuesday February 24th, so please don't delay.

Many thanks for your participation. Please forward this message to anyone who might be interested in contributing.

Application Form

I wish to participate in the GDCC syndicate to purchase one 10,000 euro share in West Cork Tourism Co-operative to reinstate the Swansea-Cork Ferry.
